Re: Supplemental Notice of Proposed Rulemaking – Disposition of Recalled Tires,
Docket No. NHTSA-2001-10856, Notice 2

Dear Ms. Wilson:

We have received the August 26, 2002 comment filed by the Rubber Manufacturers Association (RMA) in response to the above Supplemental Notice of Proposed Rulemaking (SNPRM), and have noted your request for the opportunity to file supplemental comments no later than September 26, 2002. Although we neither grant nor deny your request for additional time, as we stated in the SNPRM, to the extent possible, we will also consider late-filed comments. 67 Fed. Reg. 48852, 48855 (July 26, 2002). To ensure that we are able to do so, we suggest that you file any further comments as soon as possible, rather than waiting until September 26.

Sincerely,

L. Robert Shelton
Executive Director
